Caring, Sharing, Learning Together

Friday, 20th September 2019

This day in history

1519 Ferdinand Magellan embarks from Spain on a voyage to circumnavigate the world.

1904 Wilbur Wright Makes the First Circular Flight in 1 minute and 16 seconds on the Wright Flyer II.

Whole School Attendance

Year 1 = 99.3%
Year 2 = 89.5%
Year 3 = 97.9%
Year 4 = 91.1%
Year 5 = 95.0%
Year 6 = 98.2%

Congratulations

Well Done Year 1 for the best attendance in Lower School and Year 6 for the best attendance in Upper School.

Our school target is 97%.

Reception Places for September 2020

If your child turns 5 between 1st of September 2020 and 31st August 2021 you need to apply for a Reception place for September 2020. This is done through Durham County Council. Please visit www.durham.gov.uk/schooladmissions for further information.

You still need to apply for a Reception place even if your child already attends our Nursery.

Secondary School Places for September 2020

If your child is in Year 6 and will be transferring to secondary school in September 2020, you must apply for their school place before October 31st 2019. This is done through Durham County Council. Please visit www.durham.gov.uk/schooladmissions for further information.

When you apply on-line you will receive an acknowledgement and you will be offered a school place for your child by email on 2 March 2020. Late applications may not receive their first choice school. As Consett Academy was oversubscribed last year we would advise you to apply as soon as possible, if this is your first choice.

Board Game Appeal

Miss Weaver is asking for donations of Guess Who, Hungry Hippos and Kerplunk board game to use in school. If you have some of these games to donate we would be grateful.

Names in Uniform

Please ensure all your child's uniform items, PE Kits, coats and other possessions are clearly labelled with their name. This will assist in reducing the amount of lost property and help staff in returning items to their rightful owner. It is extremely difficult for us to find items that have not been clearly labelled.

New Maths Games

We have added a new link to our website so the children can access Maths Chase, a completely free site where they can quickly test their times tables. The site is a very simple game but we think the children will find it a really fun way to learn their times tables.

www.leadgate.durham.sch.uk/?s=maths+chase

Toys in School

Please do not allow your child to bring toys into school as they could get lost or damaged and can cause great upset for your child.

Reading

Please ensure your child reads at home – this is the biggest support you can provide to them accessing all areas of the curriculum.

Check out www.oxfordowl.co.uk which packed with expert advice, top tips and activity ideas to help your child with reading, including access to over 100 free E-Books!

International Work - Nepal

Dear Parent / Guardian

We are very excited to inform you that we have now received funding from the British Council to be part of a Connecting Classroom project this year. We have been partnered with Golden Peak High School in Kathmandu, Nepal and will be working alongside staff and children within this setting to look at the issue of waste disposal at both a local and global level.

This means that the children will take part in a number of activities such as monitoring the amount of litter produced within school, considering how this is disposed of, designing a zero-waste meal to be cooked for lunch, planning improvements around school for recycling waste material and writing a global pledge to be adopted by all children. The children in our partner school will be carrying out similar activities and the results will be shared and discussed collaboratively along the way. Children will be sharing their findings with the rest of the school through school assemblies and displaying their work.

Mr Watson will be travelling to Nepal in November to work in our partner school, get to know the staff and children and bring back first-hand resources for the children in Leadgate. Similarly, a Nepalese teacher will visit our school in June 2020 to meet the children, share experiences from Nepal and learn about our community.

This is a fantastic opportunity for your child to learn about the Nepalese culture and customs, expand their horizons and develop a worldwide view of environmental health and how this impacts upon a culture other than their own through first hand study and exploration. We will be organising a celebration event at the end of the year to celebrate this work. However, I anticipate that you will learn a lot more about this project as it develops, either through correspondence from school or conversations with your child!
