

Lalilo at home!

We are excited to announce that we are partnering with Lalilo, a K-2 literacy app that students will be using in the classroom and at home! The setup is simple and will provide guided, customised reading instruction for your child at home.

To get started

1

Access the program by going to **Google Chrome**. This is the optimal browser for Lalilo. (Note: If you are using an iPad, make sure you're using the iOS 11 version.)

2

Go to www.lalilo.com

3

Sign up as a Parent (you'll need to choose a password)

4

Once signed up, you'll be asked to enter your parent code text to you by school : eg **xyxyxy**

5

All done!

To login

1

Go to www.lalilo.com

2

Click on login

3

All done!

If you have any issues, feel free to reach out to Lalilo directly online at www.lalilo.com. There is an online chat feature that will allow you to speak with someone from Lalilo in real time. Thank you for joining this learning adventure with us!
