Autumn Term–September 2025

Welcome

Welcome to a brand new academic year at Leadgate Primary School! I hope you all had a restful and enjoyable summer break, filled with special moments and time to recharge.

A very warm welcome to all the new families who have joined our school community this year—we look forward to getting to know you and working in partnership with you. And welcome back to our existing families and children, who have clearly grown over the summer and returned full of stories and enthusiasm. It has been lovely to see the children settling into their new classes, reconnecting with old friends, and making new ones.

As we begin this new chapter, we are filled with excitement for the year ahead. With new challenges and opportunities on the horizon, Leadgate continues to be a place where children are nurtured, challenged, and inspired to be the very best they can be. We remain committed to building strong foundations in learning, developing positive relationships, fostering resilience and creativity, and ensuring every child feels valued and supported.

Thank you, as always, for your continued support. We look forward to working with you throughout the year ahead.

Can You Spare a Couple of Hours a Week?

We are looking for enthusiastic parents and grandparents to join us in supporting our children's reading development. If you have a little time to spare each week and would enjoy listening to children read, we'd love to hear from you! Volunteering in school is a rewarding way to make a real difference—and your support helps build confidence, fluency, and a love of reading in our pupils.

If you're interested, please contact the school office. We will arrange a DBS check, which is required before you begin. Thank you for helping us nurture a love of reading in every child!

Could You Be Eligible for Free School Meals?

Don't forget to check if your family is eligible for Free School Meals! This not only supports your child with a nutritious meal each day, but also ensures you receive access to additional benefits such as: holiday activity club, food vouchers and extra funding to support your child's learning. It's a quick and simple check—just contact the school office.

Curriculum Enrichment – Exciting Experiences Ahead!

We believe that learning goes far beyond the classroom. Our curriculum continues to be enriched with trips, visitors, sports events, and non-curriculum days throughout the year. We understand how important it is for children to enjoy a diverse range of experiences as part of their education.

Already, we have some exciting visitors and enrichment days planned in the school diary, and class teachers are busy organising school trips for the Autumn term.

Once dates are confirmed, we will share all the details with you via Class Dojo. We always aim to give as much notice as possible to help with planning and preparation.

Morning Supervision Reminder

As we settle into the new term, we would like to remind all families that there is no staff supervision for children playing outside in the yard or on the field before 8:45am at Upper School. While we understand that children enjoy socialising and playing with friends before the school day begins, for health and safety reasons, children are not permitted to play on site without supervision.

Children arriving before 8:45am must either:

- Be supervised by a parent or carer, or
- Attend our Breakfast Club, which is free from 8:30am and provides a safe, welcoming start to the day.

Thank you for your understanding and continued support in helping us keep all our children safe.

Support Our School Fund – Every Contribution Counts!

As we begin the new school year, we'd like to remind everyone that contributions to our School Fund are still very much appreciated! The School Fund plays a vital role in enriching our children's experiences beyond the classroom.

Thanks to your generosity last year, we were able to provide a range of exciting extras, including:

- Festive Christmas treats/parties/pantos
- A visits from the ever-popular ice cream van
- Visitors such as the magician and EYFS crazy creatures.
- Contributions towards school trips

These special moments create lasting memories for our pupils and help bring joy and excitement to their learning journey. If you are able to contribute this year, no matter how big or small, it will make a real difference. Thank you for your continued support—it truly helps us go the extra mile for our children.
